Plans & Pricing

Pick the plan that fits, grow when ready

The SnipAndGlow Client Journey

Every moment is a touch point that builds loyalty. From the first Hi on WhatsApp to the win-back offer months later, SnipAndGlow keeps your salon close to every client, automatically.

1 Books on WhatsApp

Client sends Hi, picks a service and time. Booked in seconds, no app and no missed calls.

2 Gets a Reminder

Friendly reminders go out before the visit so fewer clients forget or skip.

3 Reschedule or Cancel

Plans change. Clients reschedule or cancel on WhatsApp and free the slot instantly.

4 Served at the Salon

Staff see the booking on the dashboard and deliver a smooth, on-time experience.

5 Instant Digital Bill

A clean WhatsApp invoice is sent the moment the service is done. Looks professional.

6 Shares Feedback

An automatic message asks for a rating, so you always know how clients felt.

7 Leaves a Google Review

Happy clients are guided to Google. Low ratings reach you privately so you fix fast.

8 Win-Back Offer

Quiet for 30 or 60 days? A warm offer brings them back and revives lost revenue.

Every touch point, handled for you

You focus on the service. SnipAndGlow quietly handles the booking, the reminder, the bill, the feedback and the follow-up, so clients feel cared for at every step.

Everything to Run the Day

These are the everyday tools that replace scattered notebooks, missed calls and manual bills, all in one easy dashboard your whole team can use.

1. WhatsApp Booking

What it does

Clients book inside WhatsApp by choosing a service, date and time.

Why it matters

More bookings with zero phone tag and no app for clients to download.

2. Smart Reminders

What it does

Automatic reminders are sent before each appointment.

Why it matters

Fewer no-shows and empty chairs, which means steadier daily income.

3. Service Menu

What it does

Add services with price, duration and active status.

Why it matters

Clients see clear choices and your team avoids billing confusion.

4. Staff & Roles

What it does

Add team members, assign work and give secure logins.

Why it matters

Daily scheduling stays organised and every sale is credited correctly.

5. Client CRM

What it does

Store visit history, phone, notes, memberships and spend.

Why it matters

You own a real client database instead of losing their history.

6. Billing & Invoices

What it does

Create bills fast and send professional invoices on WhatsApp.

Why it matters

Cleaner billing, fewer mistakes and a premium brand impression.

Tools That Bring Clients Back

SnipAndGlow does more than manage bookings. It actively grows reviews, revives quiet clients and shows you exactly how the business is doing.

7. Automatic Feedback

What it does

Feedback is collected right after a completed visit.

Why it matters

You hear how clients felt without ever asking by hand.

8. Google Review Flow

What it does

Happy clients are guided to Google; low ratings alert you privately.

Why it matters

More 5-star reviews online and quiet recovery of unhappy clients.

9. Win-Back Campaigns

What it does

Automatic 30 and 60 day offers reach clients who stopped visiting.

Why it matters

Old clients become repeat revenue instead of being lost for good.

10. Marketing Broadcasts

What it does

Send festival offers, birthdays and flash sales from your own number.

Why it matters

Fill slow days and stay top of mind with every client at once.

11. Revenue Dashboard

What it does

See bookings, clients, services and revenue trends in one view.

Why it matters

Know what is happening in your salon at a glance, any day.

12. Reports & Insights

What it does

Track staff performance, busy hours and top services.

Why it matters

Make smarter calls on offers, staffing and daily operations.

TURN HAPPY CLIENTS INTO 5-STAR REVIEWS

Every great visit becomes free marketing on Google.

After a 5-star feedback, SnipAndGlow gently nudges the client to post a Google review, automatically. More reviews mean higher local ranking and new walk-ins, at zero ad spend.

● ↑ Local ranking

● ↑ New walk-ins

● ₹0 ad spend

Built for Salon Owners, Not Engineers

No technical skills needed. The dashboard is simple, the client flow runs on WhatsApp they already use, and our team sets up everything for you, free.

Our promise to you

- Zero setup fee**
We configure services, staff, prices and flows for free.
- No hidden charges**
The plan price is exactly what you pay. No surprises.
- 15-day full refund**
If it does not fit your salon, we refund every rupee.
- Free assisted setup**
A specialist helps you go live and trains your team.

What you can expect

- More bookings**
Clients book anytime on WhatsApp, even after hours.
- Fewer no-shows**
Automatic reminders keep your chairs filled.
- Stronger retention**
Feedback and win-back keep clients coming back.
- Clear numbers**
Know your revenue, top services and best staff.

THE MATH THAT MAKES IT A NO-BRAINER

Less than ₹27 a day. It pays for itself, fast.

1 saved no-show
covers the plan

One client who would have skipped, now shows up. That single visit can cover your whole month.

5 clients won back
every month

Win-back messages quietly revive sleeping clients, turning lost revenue into repeat bookings.

★★★★★ more 5-star reviews
free walk-ins

Happy clients are nudged to Google. Better ratings bring new customers at zero ad spend.

Illustrative example. Real results vary by salon, pricing and how actively you use the tools.

See it work with your real bookings

Get a free 10-minute demo and a complete free setup for your salon. If it does not work for you, you simply do not continue.
